"Set Another Place"

Pastor Jo Ellen Axthelm

Consider our series on "Comfort Food" and what are your favorite comfort foods. Are they from your past and/or present? Do you have certain ones for different reasons or times of the year?

How does God bring comfort to you in the season of life you are in? What role does the Holy Spirit have in your comfort and season?

What could it mean for you to "set another place," when you think about your community and home? Who might need a place set for them? How will you share this place is ready for them?
