

WORSHIP ENGAGEMENT 9/18/22

Mark 9:14-29

"Jesus Story: Belief" Pastor Seungli You

Use this engagement sheet to note your revelations and observations.

It is not always easy for us to live as disciples of Jesus Christ. The reason is that we are living in two worlds - the Kingdom of God vs. the world. Have you ever experienced any dilemmas coming from the two worlds?

In the Gospel of Mark, Jesus performed miracles - healing, cleaning unclean spirits, feeding, and teaching. How do these miracles show the characteristics of the Kingdom of God? How was it different from the Roman Empire? Does our world look like the Roman Empire or the Kingdom of God?

Jesus says, "this kind can come out only by prayer" in v. 29. In prayer, how do you experience God's strength and provision to be a good disciple again?
